

Perfect Protection.
Effortless Flow.

FLEX-FIT INSTALLATION

FAST & EASY TO INSTALL!

CONFORMS TO W.U.I. REGULATIONS
(WILDLAND-URBAN INTERFACE)

PROTECT YOUR INVESTMENT WITH

The raised screen technology deflects debris by lifting it off the screen and allowing air and water to flow under and brush off debris.

Patented "T" pattern captures max water flow, slowing water runoff from your roof to flow through the screen, not over your gutter.

Keeps Gutters Clean and Protected

Designed and Assembled in the USA

45 Year Manufacturer's Warranty

FEATURES

EASY & FAST TO INSTALL
Cut, Fit and Screw Right In!
